

CONCRETE RESTORATION, INC.

1982 ~ 2007

OUR MISSION STATEMENT

INTEGRITY ... Is it the truth?

American Blast Clean Concrete Restoration, Inc. is committed to ethical business practices and relationships. We deliver what we propose...our word is our bond.

SERVICE... Is it fair to all concerned?

Superior service is our hallmark. Providing our clients with the quality workmanship and expertise that our clients deserve and that we are noted for is our primary goal. From the initial consultation to project completion, our goal is to meet your expectations as well as your budget.

RESPECT... Will it build good will and better friendships?

The Management and Employees of American Blast Clean are committed to respect our client's work place and premises. We will treat your facility as if it were our own while in your work place. Your friendship and good will are of paramount importance to us.

QUALITY... Will it be beneficial to all concerned?

American Blast Clean will always use quality equipment and materials in our efforts to provide you the best possible end result for your project. You can rest assured that your project will be completed in the professional and ethical manner we have been noted for, in our proud 25 year history.

When reputation, quality, and performance count...**you can count on us!**
